### **How can we help?**

Disabling Condition

Review of this element inside and outside of HMIS

Discussion about how to frame in client-friendly way. Group agreed that explaining disabling conditions last for the foreseeable future and mean that you need additional support to live in and keep stable housing. This support could mean financial subsidies, healthcare, or other supports like on-going case management. This may assist intake staff better define HUD's disabling conditions for clients.

### **What's Next**

Calendar review for upcoming federal reports (System Performance Measures) and HMIS users meetings (Nov 18<sup>th</sup>)
