

Attendance: Andrea Carey, Stephani Kilpatrick, Nicole Purdy, Corey Root, Debra Vestal, Kat Wies

Agency Updates

- IFC
 - Good Neighbor Plan meetings with neighbors have started to discuss potential changes with the plan
 - Rapid Re-Housing program will end June 30 at IFC, will transfer back to DSS with financial services and no case management
- CEF
 - Housing Locator position will start at the end of June; Orange County Housing Dept. have started Risk Mitigation Fund to reimburse landlords for damages and eviction costs

OCPEH updates

- OC Connect 2.0 trainings are available. If you have not already attended in-person trainings, please view the trainings online and complete the steps outlined on this page: <http://thecef.force.com/apex/octraining>
 - The Homeless Hotline phone number in the works – printing business cards to show where people can go with hours + phone number
- Events
 - 2018 Homelessness Community Data Review, Thurs. June 21, 9:30-11a.m.: [Registration](#)
 - 2018 National Conference on Ending Homelessness, July 23-25, Washington DC, <https://endhomelessness.org/events/conferences/naeh18/>
- Written Standards update – writer is hired, working on graphics, new revised version will be coming back to Data & Grants workgroup soon

NCCEH Data Center Staff Update

- System Performance Measures will be due to HUD May 30, please respond to emails re: data fixes
- Agency agreements for new HMIS@NCCEH are in process, should be coming to agencies soon
- Working on development issues – if folks have thoughts of what can be improved, contact NCCEH

Data & Grants Workgroup – Meeting Notes

Mon. May 21, 2018, 3-4:30 pm

Southern Human Services Center, Room D, Chapel Hill

- NCCEH staff went to Mediware Bootcamp – no update on when reporting tool Qlik will be available for users; update to ServicePoint 6.0 may start in Sept.-Oct. 2018, would be later for Orange County – looks very different and will have workflows built in

Updates from HMIS Governance Committee/HMIS Advisory Board meetings

- MOU for data transfer was passed by unanimous vote re: which data will be transferred
- Transition to HMIS @ NCCEH system – still on track in advance of June 30 deadline

Point-in-Time/Housing Inventory Count

- [2018 PIT Data](#)
 - 2018 will have a focus on the special populations – people with serious mental illness, substance use disorder, people with HIV/AIDS, and victims of domestic violence
 - Find % increase of Orange County population overall
 - Can UNC Hospital participate in PIT Count next year?

Next meeting: June 18, 3:00-4:30pm, Southern Human Services Center Room D
