

Overview

BACKGROUND: Each year, the NC Department of Health and Human Services (DHHS), Division of Aging and Adult Services solicits applications from non-profits and local units of government for the Emergency Solutions Grants (ESG) funding opportunity. The State ESG Office issued a Request for Applications for FY 2021-22 ESG on July 6, 2021 noting, “NC ESG funds are intended to be used as part of a crisis response system using a low barrier, housing-focused approach to ensure that homelessness is rare, brief, and one time. Activities can include engaging homeless individuals and families living on the street; improving the number and quality of emergency shelters for homeless individuals and families; helping operate emergency shelters; providing essential services to emergency shelter residents, rapidly rehouse homeless individuals and families, and preventing families and individuals from becoming homeless.”¹

Orange County, through the Orange County Partnership to End Homelessness (OCPEH), is eligible to apply for up to \$101,315 in total ESG funds in four categories:

- Homeless Management Information Systems database
- Administration for fiscal sponsors and local units of governments

Project Review Committee

Community members with a knowledge of homeless programs and community priorities serve on the Project Review Committee (PRC). PRC members work with funding recommendations for Emergency Solutions Grant (ESG) and Continuum of Care (CoC) competitions, and monitor program performance throughout the year. The Project Review Committee will revise the project rating and ranking tool used to score ESG project applications and draft a list of recommended projects for OCPEH Leadership Team review.

Project Review Committee members cannot have ties to agencies applying for CoC or ESG funding and serve July 2021 – June 2022.

Please email Rachel Waltz, rwaltz@orangecountync.gov if you are interested in serving on the Project Review Committee.
