 - Will start PIT/HIC end of February
 - New NCCEH staff for the SOAR State Lead, Sarah Murray

Point-in-Time Count and Project Connect Review

- Project Connect
 - New location worked well, gave privacy for needed conversations, close for IFC shelters; have heard it's out of the way for people living unsheltered
 - Service providers didn't see the same #s of people as in previous years
 - Was there enough publicity about the event?
 - People liked picking out what they wanted
 - People missed the vision services
- Review of PIT Street Count
 - Better with fewer volunteers
- Preview of Sheltered Count
 - Same process as last year; NCCEH will be sending info to agencies, reporting deadlines to come in March
 - New for 2020 – Compass RRH to report for HIC

Review Program Performance Matrix

- [October 2018 – September 2019](#)
